

RE-OPENING PLAN PHASE 5

September 8, 2020

Please know that we are committed to providing you with a safe environment that aligns with WorkSafeBC protocols to ensure that the risk of exposure to the virus that causes COVID-19 is always minimized. Our current re-opening plan was guided by local and public health authorities. We know that this situation is constantly evolving and as such we are actively monitoring and evolving our solutions to ensure a continued focus on the health and safety of our guests, players, and staff.

Protective measures we are taking to ensure the health and safety of everyone at Planet Ice:

Increased cleaning

- Starting with our public spaces and high-traffic areas, we are going above and beyond our normal protocols. We are cleaning surfaces with increased frequency, dedicated staff, and all done by the recommended cleaning agents.
- Following each group using the arena there is a 30-minute break between ice users to ensure all high traffic touch points can be thoroughly sanitized. This includes all benches, players gates, dressing rooms, door handles, and washroom areas.

Hand sanitizer

- We have hand sanitizer available at the main entrance of the facility and in various locations throughout the facility. We encourage you to use it as you enter Planet Ice.
- All our staff will be frequently handwashing throughout their shift as well.

Entering the Facility

- We ask that you arrive on time, however, please do not arrive earlier than 15 minutes prior to your scheduled session to allow for check in. Participants and guests will only be allowed to access the facility at their scheduled times.
- When you arrive at the arena 15 minutes before your ice time, please line up at the main entrance and stand on one of the reflective, socially distanced markers on the pavement.

Social Distancing

- The guided markers and signage in public spaces will remind our guests to maintain the physical distancing of 2 meters of at all times while in the facility.
- One of our staff members will be present at the main entrance to manage your check in.
- The only exception to this will be on the ice during competitive drills & games, where such social distancing measures will not be possible due to the contact nature of the sports.
 - To mitigate the spread of COVID on the ice surface, **FULL EQUIPMENT** including helmets with cages/shields are recommended to be worn by all players.
 - All players must adhere to appropriate hygiene and handwashing protocols prior to playing and going on the ice.
 - Players should be social distancing from each other in all other shared spaces within the arena.

- Please note that:
 - If you have recently travelled outside of the country and have not cleared the required 14 days of self-quarantine, or if you are experiencing any COVID-19 or flu-like symptoms, or if you have had any contact with someone who has COVID-19-like symptoms, **PLEASE DO NOT PARTICIPATE OR ENTER THE FACILITY.**
